

Gastric Health Pellets

DAILY GUT SUPPORT FOR HORSES

Farnam® Gastric Health Pellets help maintain a healthy gastrointestinal tract and gut function for horses in stressful situations. Formulated with a combination of specialized ingredients to buffer stomach acid and support a healthy gastrointestinal lining for optimal gastric and digestive health. Ideal for horses prone to occasional gastric upset or stressed from environmental and diet changes, foaling, stall confinement due to injury or illness, rigorous performance demands, competitions or shows, and trailering. Can be given year-round as part of your horse's daily regimen for ongoing gastrointestinal support.
